

2024-2025 NEWSLETTER  
**Registration Edition**

**DUKE CITY**  
SOCCER LEAGUE

Well, that time of year is here again: registering for next year's team. It is a time when coaches, parents, players, and club officials look forward to or are completely stressed out with picking a team for next year. Your child has the option of remaining on their current team or looking for a new team that is more compatible with their desires, temperament, personality, experience, and ability. On the following pages of this newsletter, you will find information on all of Duke City Soccer League's five clubs.

### RULES HAVE CHANGED

On Monday, April 29, 2024, after the last DCSL scheduled weekend.

- Teams may begin to register their team/club players. Teams/clubs may talk to their own players prior to this time and offer spots and receive commitments.
- Registered players may be contacted by anyone from any team.
- Registered players may be offered a spot in a new club and may commit, but registration cannot take place until June 1st
- Individual and team tryouts may begin to take place (not club tryouts)
- New players (non-registered players) may be offered a spot and may commit but cannot register until June 1st for up to U-14 and June 6th for the older players.

Registration is completed when the online application has been completed (online applications can be found on each club's web site), the required fee has been paid and the allowable registration date for new players joining a new club has arrived (dates for new players to join new clubs are June 1st is for U-9 through U-14 and June 6th for older players). Registration that does not follow all three items can be reversed with no charge to the player. Players should not be discouraged or intimidated from contacting multiple teams / clubs before registering for next year.

### RULES FOR TRANSFERRING

Transfers within clubs (from one club team to another team in the same club) are allowed throughout the year. Transfers between clubs and leagues are only allowed between December 15, 2024, and January 31, 2025, with a fee of \$25.00. Remember that you are committed to playing on the team you register with for the entire year and that the Duke City League fee is non-refundable. If you have any questions or concerns do not hesitate to call us. Good luck, have a great summer, and see you next year on the pitch.

*Ronald Espinoza*  
DCSL President

*Bill Nordin*  
DCSL Director of Games

### HELPFUL HINTS FOR FINDING THE BEST TEAM FOR YOUR CHILD

There are no rules set as to what must be discussed; this is your chance to determine if this team / club is compatible with your child's desires, temperament, personality, experience, and ability. You might want to ask some of the following questions: What is the cost? Ask for a cost breakdown sheet. When are practices? How long are practices? How many tournaments will the team be in? Are tournaments included in the cost? Are all practices, skill sessions, scrimmages, and tournaments mandatory? What is the team goal? What is the club philosophy and plan for teams and individual players? What kind of player is the team and/or club looking for? What is the coach's plan for playing time? Will the Club or Coach move a more advanced player to a more competitive team during the season? Is the team your son or daughter trying out for a Premier, Challenge, or Recreational team? Etc.

# Classic FC

**Classic FC is a full service soccer club, serving youth soccer players for over 30 years in Albuquerque. Classic FC Mission has always been simple; to provide a quality soccer experience for all levels of players with the primary program focus on player development in an affordable environment.**

## **Club Philosophy**

**The club strives to provide a cost-effective high quality program of soccer instruction and player development. Our coaches are carefully selected based on their soccer experience, knowledge, character, and dedication to youth sports. They have made a commitment for continued personal education in soccer and to provide a nurturing environment for all the players. Because we carefully screen our coaches, we do not hire a staff of club coaches. This approach allows us to charge club fees that are the lowest level in all Albuquerque and still provide an atmosphere which promotes excellence. Many of our teams choose to employ team trainers or professional coaches, based upon the needs of each particular team. Each team is managed as an independent operation and so, is free to determine a program, which will best develop their players.**

## **Costs**

**Typical Classic FC participation costs for the player include a \$60.00 club fee and \$100 League fee for a full-service organization. In addition the cost of uniforms which average about \$85dollars for a home and away jersey.**

**Skills Sessions: We offer skills sessions to each of our teams in the fall and spring season.**

### **Our History**

**Classic FC has been a mainstay in the Duke City Soccer league for over 30years. Our approach and mission have been simple, to keep costs low and affordable while fostering an environment for the player to develop and grow in ability and character. Each of our teams are led by coaches who love the game and are focused on development. With no interference our teams are allowed to grow and develop the cohesion needed to be a successful group. This approach has resulted with Classic FC having the most successful club teams in New Mexico Youth Soccer History. Classic FC is the Only club in New Mexico with 4 USYS Region IV Champions and 3 3rd place finishes in USYS National Championships, plus numerous state champions.**

**For The Players!**

Our fantastic coaching staff are all United States Soccer Federation (USSF) qualified with all of our Assistant Coaches Grassroots minimum, and all of our Head Coaches 'D' licensed minimum.
