|------------------|-------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Green            |    | The color means that a change has taken place since the web site was last or first published                                                                                                                                                                                                                                                           |
| Blue             |    | The color means that the team has a BYE and is not playing a game that weekend. This BYE could be requested by the team or given by the league.                                                                                                                                                                                                        |
| Yellow           |    | This team is going out of town to a tournament and will not be at that game (also - if the yellow is in the block to the right of the team name, that is to remind us that the coach is coaching more than 1 team. Blue is added to show that the 2 teams are in the same age group and orange is added if there has been a time of play request made) |
| Light Yellow     |    | The opponent of the team going out of town or forfeiting                                                                                                                                                                                                                                                                                               |
| Orange           |    | Matches that are for relegation                                                                                                                                                                                                                                                                                                                        |
| Light Orange     |    | Teams playing twice in season / this game does not count towards next seasons ranking                                                                                                                                                                                                                                                                  |
| Blue / Gray      |    | Means that that game is an non-bracket game and will not count toward seeding for the next schedule<br>or<br>Means that you play a team that is playing two games that day. Your game will not count towards the seeding for the next schedule                                                                                                         |
| Gray             |  | Shows that the team is traveling in more than an hour and a half.                                                                                                                                                                                                                                                                                      |
| Pink             |  | There is problem and I have not fixed it yet                                                                                                                                                                                                                                                                                                           |
| Dark Purple      |  | Forfeit                                                                                                                                                                                                                                                                                                                                                |
| Dark Blue        |  | Completed the 5 games needed to referee                                                                                                                                                                                                                                                                                                                |
| Red              |  | Showing that the team did not complete their required 4 games referee requirement from the last season                                                                                                                                                                                                                                                 |
| Dark Orange      |  | A team has dropped out of the schedule & I am working on it or I have removed them                                                                                                                                                                                                                                                                     |
